Principal’s Message:

As the regular school year comes to an end, the Ridge Ruxton staff would like to thank you for your partnership and support. For our preschool and pre-K students, the last day of school is June 13. For our K-12th grade students, we dismiss 3 hours early on Friday June 14 and on Monday June 17th at noon. June 17th is our last day of school for the 2018/19 school year.

What a great school year we have had! We know how lucky we are to have the very best jobs in BCPS. We have the distinct pleasure of watching your children grow, learn and change right before our eyes! Our focus this year has been on building communication and language skills. We have accepted this challenge knowing that communication is at the very heart of helping our students develop independence and increasing their participation at school, in the community and at home. Talk to your child, honor all communicative attempts and you will help your child strengthen and build vocabulary. If you are looking for ways to support communication at home, reach out to your child’s teacher or speech language therapist for ideas and resources.

During the month of May we celebrated with 5 families as we honored our 5 graduates. We are honored to have been part of their educational journey and wish them all the very best in the future.

Extended School Year (ESY) begins on July 8th and runs through August 2nd each day from 8:30-11:30.

Have a wonderful summer full of laughter and time with family. Please let us know if we can be of any help.
Congratulations to Chaim Hexter whose painting, "Primary Colors," represented Ridge Ruxton School in the Spring 2019 Art Show and Exhibition at the law offices of Azrael, Franz, Schwab, Lipowitz and Solter, LLC.
Congratulations to Adam Cornwell! His painting, "Circles," represented Ridge Ruxton School in BCPS's 33rd Annual Juried High School Art Exhibit!

Thanks to everyone who contributed to our Food Drive for Battle Monument's Community Food Pantry!
